Thanksgiving Day
Rev. 啟 2:18 ~ 29

29 廿九
Rev. 啟 3:1 ~ 6

30 三十
Rev. 啟 3:7 ~ 13

Water is essential to human survival; without it, we cannot exist. Similarly, our spiritual lives require living water for nourishment. The Lord Jesus is the source of this water; His words enrich our lives and give us strength for each new day. By studying His teachings and leaning on Him daily, we can receive a constant flow of life-giving water, and our spirit will never thirst.

圖片說明

片片紅葉灑落在溪水旁，為樹林添上點點秋意。
The red leaves lie scattered along the banks of the stream, adding an autumn touch to the forest.
